Sensit-Eyes Glue

Section 1 – Chemical Product and Company Identification

MSDS Name: Sensit-Eyes Glue

Company Identification: Lost Artistry LTD. 944 North Park St. · Victoria, BC, Canada · V8T 1T6

Section 2 – Composition and Ingredient Information

Ingredients	CAS No.	% Content
Ethyl 2 - Cyanoacrylate	137-05-03	60%
Alkoxy 2 - Cyanoacrylate	21982-43-4	35%
Poly Methyl Methacrylate	9011-14-7	4.5%
Pigment	1333-86-4	0.5%

Section 3 – Hazards Identification

Emergency overview: This product is a colored, solvent borne cyano methacrylate

Potential Health Effects:

Eye: Contact with vapor or liquid may irritate the eyes

Skin: Slightly irritating to the skin

Ingestion: May cause pain, nausea, and vomiting.

Inhalation: Vapor can cause headache, nausea, and irritation of the nose, throat, and lungs.

Section 4 – First Aid Measures

Inhalation: Remove client to fresh air, and provide oxygen if breathing is difficult. Give artificial respiration if not breathing. Get medical attention immediately.

Eye Contact: Immediately flush eyes with running water for at least 15 minutes. If redness, itching, or burning sensation develops, see a physician.

Skin Contact: Remove contaminated clothing/shoes and wipe off excess from skin. Wash exposed area with soap and water. If redness, itching or burning sensation develops, get medical attention.

Ingestion: Get medical attention immediately.

Section 5 – Fire Fighting Measures

Flash Point: Above 75°C (167 F)

Suitable Extinguishing Media: Use dry chemical, carbon dioxide, foam, or spray as appropriate for surrounding fire.

Protective Equipment: Proper protective equipment including breathing apparatus must be worn when approaching a fire in a confined area.

Section 6 – Accidental Release Measures

Large & Small Spills: Absorb with inert material such as sand and remove all liquid with the use of a vacuum. If unable to remove liquid, then begin to absorb with sand, saw dust, or commercial absorbent and scoop up and place in containers for proper disposal. Keep spills and cleaning runoff out of municipal sewers and open bodies of water. Decontaminate all clothing and the spill area with detergent and large amounts of water.

Section 7 – Handling and Storage

Handling Precautions: Avoid skin or eye contact. Avoid prolonged or repeated breathing of vapors and mists. Use only in a well ventilated area. Do not take internally. Do not get in the eyes, on skin, or on clothing. Keep out of the reach of children.

Storage Requirements: Keep from freezing - product with coagulate. Keep container tightly closed when not in use. Keeping glue in air-tight container of rice or silica gel is recommended.

Containers, even those that have been emptied, will retain residue vapors and are subject to proper waste disposal.

Section 8 – Exposure Controls and Personal Protection

Personal Protective Equipment: The use of gloves impermeable to the specific material handled is advised to prevent skin contact and possible irritation.

Section 9 – Physical and Chemical Properties

Physical State: Liquid

pH: N/A

Odor: Sharp, irritating.

Boiling Point: Above 190°C (374 F)

Flash Point: N/A

Solubility: Insoluble (polymerized by water)

Section 10 – Stability and Reactivity

Hazardous Decomposition Products: Thermal decomposition may yield acrylic monomer, carbon monoxide, and carbon dioxide. Unidentified organic compounds in fumes and smoke may be formed during combustion.

Section 11 – Toxicological Information

Inhalative Irritation: Yes

Skin Irritation: Yes. Contact may cause burns. Bonds skin rapidly and strongly.

Eye Irritation: Yes

Section 12 – Ecological Information

Ecotoxicity: No data available

Persistence/Degradability: No data available

Bioaccumulative Potential: No data available

Mobility in Soil: No data available

Section 13 – Disposal Consideration

Material Disposal: Dispose of unused product or contaminated product and materials used in cleaning up spills or leaks in a manner approved for this material. Consult appropriate federal, state, provincial, and local regulatory agencies to ascertain proper disposal procedures.

Container Disposal: Dispose in accordance with applicable regional, national, and local laws and regulations.

Section 14 – Transport Information

Land (ADR Classification): Unlisted

IMDG: Unlisted

IATA (Country variations may apply): Not regulated

DOT (US): Unlisted .

Section 15 – Regulatory Information

CA Proposition 65: No California proposition 65 chemicals are known to be present.

Hazard Symbols: Warning

Risk Phrases: Warning

Safety Phrases: Warning

Section 16 – Other Information

The information contained in this document is based upon our current level of knowledge and reflects our best professional judgement in which the product is delivered, but does not offer any guarantee or warranty. Neither our company nor any subsidiaries assumes any liability whatsoever for the accuracy or completeness of the information contained in this document. All materials may present unknown. This information is provided with the condition that the person receiving it will make their own determination of the suitability of the product for their particular use.
